

CMP Rimfire Sporter Match Report and Results  
April 15, 2016  
Sanner's Lake Sportsmen's Club  
Low 60's; Sunny; No Wind

We had three shooters on a beautiful sunny day, no doubt the light turnout was due to opening day festivities at the Tiki bar on Solomon's Island. Note one positive correction to math error\*.

We had two scoped rifles and one with aperture sights. High score was Chris D (513 out of 600) with a vintage 10/22 scoped. High stage went to Chris as well with a 94 on stage 3 (10 shots slow fire sitting/kneeling). All shooters showed improvement from our first match in March.

I am glad all of you made it and look forward to the next event in May.
