

SLSC High Power Sporting Rifle Match

26 March 2016

Match Report

The usual suspects plus a couple new faces showed up on a beautiful Saturday morning to start off our high power competition season. Ray Zeigler, David's son, and Junior David Drazba were the new faces and they seemed to enjoy themselves. Paul Stephens shot a terrific 308-8x with his new toy, a Mossberg MVP bolt gun to lead all competitors. Paul usually shoots old service rifles in this event and demonstrated today that he definitely is in the wrong classification when he has a modern rifle in his hands, but the NRA should have that straightened out by the time the next one of these matches is shot. Mark Swierczek shot a Master class score with metallic sights to lead that division with son Jake following with an excellent 293-2x for High Junior honors.

Our next match will be a NRA Approved High Power Rifle National Match Course on Saturday, 23 April. I'll be sending out more info on that match in the near future. If you have any questions about it before then, e-mail me and I'll answer them.

My thanks to all of the competitors for supporting the program, setting up for the match and putting the range back in order after the smoke cleared. Special thanks to Mark Swierczek who ran the second relay. We had four shooters on that relay, so had room for four more. Don't be shy, grab a rifle and try these high power rifle matches someday. You may even like it.

Dick Chadwick, Match Director
