

The Young Ladies of Rimfire Steel

**SLSC Rimfire Steel Match
28-Aug-16
Match Report**

Terry and His "Hubble" Scope!

It was a hot one but the shade from the canopies made it tolerable. We had some old friends show up, new friends, and young ones too! A good turn out today and nice to see folks bringing others out to enjoy the sport of rimfire steel. We welcome all new shooters to rimfire steel - keep bringing them!

Today's match winner was Dave Kwitowski (Open - 88.25 sec) edging out Don Fenton (good to have you back!) by about 6 seconds. Don was second in the Open Division with a time of 94.31 sec. Rounding out the Open Division was Joe Mund at 97.32 sec.

In the Limited Division there was some stiff competition. First and second place were separated by just over one second. Korey Smith came in first with a blazing fast time of 95.80 sec with Chris Debons on his heels at 96.92 sec. Taking third place was second time shooter Frank Torbert in 109.95 sec.

Harry Bowling may have been the only Manually Operated shooter today but check out his time, 118.01 sec! That's some fast lever action!

For the ladies, Mia Farinelli - also a youth - took Top Lady! Her time was 106.29 sec shooting Open.

In the Youth category (12 and under) - Mia also took top honors with Kaitlyn Benthin coming in second (154.04 sec) and Jordan Bowling in third with 206.57 sec. We're grooming some good young shooters. The boys better watch out! Today's match had 4 young ladies shooting.

For the Seniors, Top Honors goes to Terry Wanner shooting Open with the "Hubble" and posting a time of 109.47 sec. Check out his pistol optic in the picture above and you'll see what we mean!

A HUGE thank you to everyone for helping break down and put away the equipment. It really helps a ton and I appreciate every piece of steel or wood or stand I don't have to put away at the end of a long day. Thank you to the set up crew and all of the SO's for their tireless effort at every match. Without them we'd have no match!
