

## Sanner's Lake Woodstock Match Report - 3/16/2017

It was a cold and windy day more appropriate for a Frozen Chosin match rather than a Woodstock match, but three intrepid shooters braved the chill and made it out to Sanners Lake for the first Woodstock match of 2017. Mark Swierczek shot his recently-acquired Remington M1917 "American Enfield" for the first time and found that decent match-quality ammo made all the difference, taking first place with a combined 284-7. Robert Litz and his son Jonathan also turned in a fine showing for their first Woodstock match, shooting their as-received CMP M1 Garand and M1 Carbine. Scores and summaries are listed below. Thanks to everyone for coming out! For those thinking about dusting off that old war relic and trying it out, now is the perfect time to get it oiled up and dialed in as the competition is sure to heat up with the weather!
