

## Sanner's Lake Woodstock Match Report - 6/15/2017

A reasonably warm and pleasant afternoon resulted in another great turnout for the June Woodstock match at Sanners Lake, with two relays required to accommodate all the classic war relics freed from deep storage to do battle for top shot of the month. Rifles ranged from a vintage SMLE Enfield and an original Trapdoor Springfield to a more "modern" Swiss K31 and a pair of M1 Garands. All of the rifles (and shooters) stepped up to the plate and performed admirably, with all shots on paper (most of them in the black!), and no problems or malfunctions of note. Jesse Williams and his Swiss K31 came out of nowhere to squeak by Dick Chadwick and his M1, with Jesse scoring a 275-6X to take top combined score with his tie-breaking six X's. Just two points behind them was Paul Stephens and his '03 Springfield taking third place with an excellent 273-5X. In the individual score category, Ron Ferguson and his M1 kept getting better and better, putting it all together on the last string with a superb 97-2X to take the top slot. Ron was followed by Dick Chadwick and Jake Swierczek posting matching 95-1X's. Congratulations to all the shooters for stepping up and giving the old iron a chance to shine once again!

Next match is on 20 July, see you there...
