

Sanner's Lake Woodstock Match Report – June 2018

The weather was warm but not oppressive and the rain held off making the June Woodstock Match at Sanner's Lake a refreshing change from previous matches! The turnout was light this month but that didn't stop the competitors from battling hard for the top spots. Ron Ferguson and his Yugo M48 stepped up to the plate and took both the high combined score with an excellent 263-2X and the high individual score with a 92-1X, while Jesse Williams and his Swiss K31 kept the competition close, taking second place combined with a 252-1X. Mark Swierczek spent the first two strings fiddling with the sights on his James River M1 Carbine and chasing his shots all over the place but finally put it all together on the last string with an 89-2X to take third place individual. Thanks to everyone for dragging their vintage iron to the range and showing what it can do! The next match will be on July 19th, see you then...
