

Sanner's Lake Woodstock Match Report – May 2018

Five shooters ignored the forecast and blasted the raindrops off the firing line with a veritable variety of vintage rifles at the May Woodstock Match at Sanner's Lake. The Enfield No. 4 Mk1 of Paul Stephens naturally thrived in the damp, gloomy, English-like weather, taking the top spot in both the individual and combined score categories with an outstanding 100-2X individual (just one X shy of the Woodstock all-time high single score!) and a killer 292-7X combined. Ron Ferguson's M1 Garand was right behind him with a strong 284-4X to take second place combined along with a 96-2X to take third place individual. Joe Maida found that boutique ammo is the ticket to success with his Swedish Mauser, taking third place in the combined category with a 276-3X. Congratulations to all the shooters for putting up superior scores through driving rain, whipping wind and fogged up glasses...in other words, real-world conditions! Next match will be on June 21st; hopefully the weather will be warmer (and drier) by then...
