

## Sanner's Lake IR5050-style Rimfire Benchrest Match Report 4 August 2019

It was another toasty day at the range but that didn't stop a full relay of eight shooters from showing up and filling the benches for the August IR5050-style benchrest match at Sanner's Lake. Once again we had several new shooters giving the sport a try but judging from their scores it appears they knew what they were doing!

Pat Farrar and Dick Chadwick were engaged in a tight battle for second place in the combined score category behind Mark Swierczek but when the smoke cleared it was Dick's 642-4X grabbing the silver by just one point over Pat's 641-8X. In the individual score category, Pat and Dick once again battled it out behind Mark, but this time Pat's 224-6X took fourth place by just one point over Dick's 223-2X. All the detailed results are listed below.

Thanks to everybody for coming out and filling up the benches! Hope to see everyone back for the next match on September 1<sup>st</sup>...see you then!
