

Sanner's Lake CMP Rimfire Sporter Match Report
August 13th, 2022

Unlike last month, the weather at the August rimfire sporter match was gorgeous; however, the turnout was light, no doubt due to folks taking advantage of the cool and crisp autumn-like conditions to tackle all their deferred lawn and garden chores! But the folks who did make it to the range had a great time and put down some serious scores, notching some near-personal bests along the way.

See all the scores and details below.

Our next match will be on September 10th, just a few days away from the autumnal equinox and the start of astronomical fall, so the weather should (hopefully!) continue to get cooler and crisper. See you in September!
