

Sanner's Lake Rimfire Sporter Match Report
November 12th, 2022

After a day of rain showers (and even a tornado alert!), Saturday morning dawned bright and beautiful and three competitors took full advantage of the balmy t-shirt weather to put some lead downrange at the November rimfire sporter match at Sanner's Lake. Once again the 10/22's took the top spots, with Greg Banta even scoring a personal best on his way to a second place finish! Further down the list, Tom Reider overcame a crossfire mishap, sucked it up and still managed to turn in a respectable score at the end of the day. Patience and persistence pays off! See all the scores and details below. This was the last rimfire sporter match of the year so be sure to check the club calendar for next year's match schedule.

See you in 2023!
