

**Sanner's Lake IR5050-style Rimfire Benchrest Match Report  
6 September 2020**

A decent turnout of shooters shrugged off the glorious weather and pried themselves away from their Labor Day weekend family duties and made it to the range for the September IR5050-style benchrest match at Sanner's Lake. Along with our usual competitors, Greg Banta joined us on the line and brought his slick Voodoo rifle to see what it could do in competition off the bench.

The competition was fierce, with over half the scores above 230, a first for this match and indicative of how good the rifles and shooters have become! See a summary of all the scores and a picture below. Check out how close the battle was for second and third place...just a point here or there made all the difference!

Thanks to everybody for making it out to the range on a beautiful holiday weekend and putting down seriously good scores across the board. The last match of the year is on October 4th, see you there!
