

Sanner's Lake Woodstock Match Report – September 2019

It was a gorgeous late summer day in southern Maryland as a nearly-full relay of seven shooters brought an array of classic military rifles to launch lead at the September Woodstock Match at Sanners Lake. The usual collection of Garands and '03 Springfields filled out the benches, along with an M1 Carbine and a classic British Lee Enfield rounding out the firing line. Mark Swierczek pulled his son Jake's Garand out of the back of the safe, blew the cobwebs off of it, and managed to come out on top, while Ron Ferguson and Jonathan Ramsey were right behind him in both the individual and combined score categories. Detailed results are listed below. Note that the majority of the top ten scores were well into the 90's, an excellent showing from the old warhorses!

Thanks to everybody for making it to the range, helping with setup and teardown, and keeping the old guns dialed in and running well. The last Woodstock match of 2019 is on October 17th...slather some lube on your vintage military rifle, get it dialed in, and join us at Sanners to finish the year with a bang!
