

Sanner's Lake Woodstock Match Report – April 2021

The day started off cloudy and cool but the sunlight eventually poked through the clouds and it turned out to be pretty pleasant overall, a perfectly fine day for the April Woodstock match at Sanners Lake. Seven shooters stepped up to the plate to see if they could meet the challenge of keeping their bullets in the black on the SR-21 targets at 100 yards...but once again, when the smoke cleared, it was Jonathan Ramsey and his 03A3 Springfield taking wins in both the combined and individual score categories with a pair of 96's and a 94 totaling up to an excellent 286-6X combined. Farther down in the standings, the scores were super tight, with no less than two sets of tie scores being decided by a single X. In particular, the battle of the Carbines was a real race, with Ed Thompson coming on strong on his last string with a 90-0X (a Woodstock M1 Carbine Single String Record Score!) but Asher Maroot held fast and took the combined win with a 246-1X total, his single bullseye snatching the victory from Ed! I'm sure there will be a rematch at some point in the near future...should be interesting!

Thanks to everybody for keeping their vintage rifles dialed in and shooting straight.

Next match is on 22 May, see you then!
