

Sanner's Lake Woodstock Match Report – May 2021

It was somewhat toasty for mid-May but the humidity was less than oppressive which at the end of the day made for a pleasant afternoon of shooting at the May Woodstock match at Sanners Lake. Six competitors took on the challenge of prying Jonathan Ramsey from the top spot after his recent string of Woodstock wins and when the smoke cleared it was Ron Ferguson and his Garand grabbing the top individual score with a superb tally of 98-1X. Consistency, however, is the name of the game when it comes to the high combined score and once again Jonathan put on a clinic of consistency with two 94's and a 95 to take the combined win with an excellent 283-2X. And the clinic of consistency continued further down in the rankings with numerous scores all within a point or two of each other, an excellent showing for these vintage battle rifles (and their trigger actuators)! Even Nathaniel Swift's rare but ready Hakim rifle stayed in the thick of things until a stuck case took it out of the action on the last string of the day. See all the scores and details below.

Thanks to everybody for supporting the match and helping with setup and teardown. Next match is on 17 June, see you then!
