Mark and I enjoyed a quite morning at the range this past Saturday but we had our doubts. The rain was heavy on the way into the club and I think we were both sure it would be a very wet experience. As luck would have it the rain stopped as I was parked in the lot. From then until we finished it was a rain free windless time on the range. Mark did extremely well with his customized Ruger with peep sights. I enjoyed getting reacquainted with my Scoped 10-22 and was happy to be in the black. I have a lot of practice time to put in this coming year in order to get my score up to that level.
