

**Sanner's Lake IR5050 Rimfire Bench Rest  
Match Report  
2 July 2017  
Weather: Toasty**

The heat and humidity didn't deter the resolute rimfire rifle shooters as four dedicated benchrest buffs showed up for the July IR5050 match at Sanner's Lake. All of the rifles were in the 10.5lb class making for one big head-to-head battle across the benches once again. Mark Swierczek held fast on target and came away with a high single score of 247-7X and a high combined score of 734-22X, both new personal bests for him. David Harrel grabbed second place with a combined score of 661-8X, while Frank Torbert and junior shooter Kaiden Jones battled it out in a close race for third. Unfortunately a disabled rifle kept Frank off the bench for the third relay which allowed Kaiden to cruise into third place with a 398-2X combined score.

Detailed results are listed below:
