

Sanner's Lake Woodstock Match Report - 6/16/2016

The predicted lightning never materialized and the participants at the June Woodstock match brought their own thunder with a record turnout that required two relays to get all the shooting in! Garands were the order of the day with Mark Swierczek showing that a CMP "service grade" M1 can hold its own with any rifle. Right behind him in the standings was Paul Stephens with his classic British Enfield No.4 Mk I followed closely by Chris Moe and Dick Chadwick with their M1 Garands. Quite a few new shooters also made it to the match and got rounds on paper, and their scores will only get better as they get their shoulders in shape and their rifles dialed in.

The next Woodstock match is scheduled for 21st of July... if you have a vintage wooden-stocked military rifle with iron sights, blow the cobwebs off of it, bring it on out, and blow some holes in the ten ring!
