

Sanner's Lake Woodstock Match Report – July 2017

A hot and hazy summer afternoon didn't deter the diehard shooters who came out to the July Woodstock match at Sanners Lake, with two relays once again required to accommodate all the classic rifles. The benches were wall-to-wall with an assortment of antique iron including an interesting Egyptian FN-49, a trifecta of classic Lee-Enfields, a Swiss K-31, an '03-A3, plus a more "modern" M1A. And, of course, the standard gaggle of Garands. As usual the action was as hot as the weather, with a tight race for top shot across the benches. Chris Moe and his '03A3 turned in a blazing 100-3X to take the top spot in the individual category (and also set a new Woodstock Match SR-21 target single score record!), but that wasn't enough to stop Ron Ferguson who kept putting rounds right down the middle to take the top prize in the combined score category with a killer 289-9X.

Congrats to all the shooters for bringing the heat in the heat! Next match is on 17 August, see you there...
