

Sanner's Lake Woodstock Match Report - 7/21/2016

The scorching summer weather didn't discourage the diehard vintage rifle shooters who came out for the July Woodstock match at Sanners! Thirty-aught-six was the ammunition of the hour as several Garands, an '03 Springfield, and a US Rifle, caliber .30, Model of 1917 "American Enfield" filled out the firing line. Chris Moe shrugged off the heat as he and his '03 Springfield came out smoking to score a sizzling 100 in the first relay, the first perfect score at a Woodstock match since we switched to the smaller SR-21 targets. He kept up the blistering pace with a 99 and a 97 in the following two relays adding up to a blazing 295 overall to win top combined as well as top individual honors. Congrats to Chris! Coming in second in the combined score category was Joe Maida shooting a scorching 270 with his vintage box-stock Garand, followed by Mark Swierczek and his stock Garand breathing fire with a sweltering 267. Eric Chase and his red-hot American Enfield broke into the 90's for his first time so he ended the day smiling as well. If everybody's scores continue to climb like the temperature, we'll soon be switching to the even-smaller MR-31 targets!

Congratulations to all the shooters who braved the warmth to test themselves and their vintage iron in the heat of competition. The next Woodstock match is scheduled for August 18th... don't miss the fun!
