

## Sanner's Lake Woodstock Match Report – August 2017

Another large crowd of vintage military rifle buffs made it out to Sanners Lake for the August Woodstock match on Thursday afternoon, suffering through some seriously sweltering heat to launch lead at SR-21 targets at 100 yards. The benches were filled to capacity with an assortment of antique iron including Swiss, German and Finnish long guns as well as a mass of Mosins and the usual surplus of '03 Springfields and Garands. Paul Stephens and his micrometer sight-equipped Springfield dominated the standings this time around, taking the top three slots in the individual score category as well as top combined. Mark Swierczek and junior shooter Trevor Graves kept the pressure on, though, taking the next two spots in the rankings. And while the Mosins didn't place high in the standings, they outdid themselves in the entertainment factor with big flashes, loud booms, and sporadic curse words as balky bolts and finicky actions were subjected to generous sprays of lube and occasional "percussive maintenance". Next match is on 14 September, come on out and join the fun!
