

Sanner's Lake Woodstock Match Report – July 2018

The weather was warm and comfortably dry which no doubt contributed to the healthy turnout and strong competition at the July Woodstock Match at Sanner's Lake! The top four spots in the combined score category were all within a point of each other with Ron Ferguson and his Garand grabbing the win with a stout 275-6X. Dick Chadwick was right behind him taking runner-up with a 274-3X and Mark Swierczek was right behind him taking third with a 273-1X and Jake Swierczek was right behind him with a 272-2X! The competition was similarly tight in the individual score category with Ron taking the win once again with an excellent 94-3X, beating Mark's 94-0X by virtue of his higher X-count. And in keeping with the July theme of tight competition, the tie-breaking rules were insufficient to separate the high individual scores of Dick Chadwick and Jake Swierczek so they shared third place in the individual score category with identical 93-1X scoresheets.

Thanks to everyone for dragging their old shooting irons out to the range and letting them strut their stuff, keeping the scores high and the fun factor higher! The next match will be on August 16th, see you then...
